What a beautiful home with a front porch to relax and watch the sun set. The front entry is located off of the porch and leads into a veranda room with plenty of windows. The kitchen has lots of cabinet space and a pantry. It also has a breakfast nook! The kitchen has white appliances to match the cabinets and includes a range, an over head micro, dishwasher, and side by side refrigerator. The living room is large and the dining room is conveniently located off of the kitchen. Both bedrooms are spacious and has mirrored closet doors. The master bathroom has a stand alone tiled shower. Lush landscape completes this home!
