What a great location, towards the front of the community on a corner lot. This home is move in ready. The kitchen has brand new counter tops and sink. The appliances have been updated including the refrigerator, glass top range with an overhead vent, and dishwasher. This home also has laminate wood in the kitchen for easy maintenance. The dining room and living room open up to each other and have plenty of windows. There is a sliding glass door in the living room that leads out to the spacious florida room on the front of the home. The bathrooms and master bedroom all have vinyl. The guest bathroom is just the right size with bead board to a chair rail height and a tub/shower combination. The master bath has a large vanity with plenty of counter space and also has a tub/shower combination. The laundry room inside is a great convenience. Come and take a look. It is all ready for you to move in!
