A well maintained home in a great neighborhood. You will love this open and handy kitchen. There is lots of cabinet and counter space with newer white appliances. The kitchen is open to

the dining room with a built in buffet and hutch. The dining room then opens up to the living room, which is large and accommodates furniture well. The florida room can be accessed from the living room which is located on the front of the home. This room has a door out to the driveway. The hall bathroom has a beach theme and has a vanity and tub/shower combo. The guest bedroom can hold a queen size bed and has a large walk in closet. The master suite has a closet with bi-fold doors and a second closet that is a walk in. The master bathroom has a large vanity with lots of counter space and storage. There is a separate room for the walk in shower and toilet. Come take a look and name a price. No reasonable offers
