What a great price on this large, spacious home. Surrounded by mature Florida Holly trees this home has added privacy and the shade helps keep the home cool in those hot summer months! A private carport has a utility shed with lots of storage and a washer and dryer. Inside, this home has an open floor plan! The kitchen is large with an island complete with cook top, overhead vent, and bar seating. There are cabinets from the floor to the high ceilings and even a pantry. The appliances are all included (side by side fridge, built in oven, dishwasher, cook top, & micro) A desk area that looks into the Florida room completes this dream kitchen! The dining room has a built in buffet that

runs the length of the wall and has cabinets below and above. The living room is large and has plenty of windows, from the living room you can access the private Florida room through the sliders. The guest bedroom has plenty of room and has a large closet. The hall bathroom has a tub/shower combo, plenty of counter space, and built in linen closets. The master suite will not disappoint. There are his and her closets and an adjacent bathroom. The bathroom has a dressing area with a large vanity and plenty of storage. The shower and toilet are in the separate adjoining room. Truly a steal on this move in ready, furnished home.
