What a great lake front property! You will be sure to enjoy this light and bright kitchen! All the working and living space has a view of the lake. The window above makes a great pass through to the florida room while entertaining or just for that added convenience. Speaking of the florida room, it has new carpet and a spectacular view of the lake. The living room is large and the dining

room has a built in hutch. The guest bedroom is adequate in size and has a walk in closet. The guest bathroom has a shower and crown molding. The master bedroom is large and has two closets with sliding mirrored doors and a walk in closet in the master bathroom. The laundry is inside and has an exit out to a screened in room w/ a large shop and storage area. Well maintained landscape and vinyl siding is the icing on the cake!
